Dear ICCV2023 Authors,

We would like to once again extend our heartfelt congratulations on the acceptance of your papers for ICCV2023. Your scholarly contribution is instrumental to the ongoing evolution and success of our field. We deeply appreciate your patience as we worked on finalizing the instructions for camera-ready submissions.

These guidelines can now be accessed via the following link: <https://docs.google.com/document/d/12GRJU2gKcMs-mmir502lyWnV0o-TWplTVTJMSWO0MCQ/edit?usp=sharing>

Please take time to thoroughly review these instructions and ensure that your camera-ready paper and any supplementary materials (if applicable) are submitted to CMT by August 18th, 2023.

In anticipation of the conference, we will also be collecting a 5-minute video and a PDF version of your poster through the conference's virtual platform. Detailed instructions for these submissions will be communicated to you in due course.

We are aware of your keen anticipation for the oral/poster notifications. We kindly request your continued patience as we finalize the list. Rest assured, we will provide an update by early next week.

Once again, congratulations on your paper's acceptance. We are excited about your participation and eagerly look forward to welcoming you to the conference in Paris.

Warm regards,
ICCV23 Program Chairs
